By signing in, you agree to our [privacy policy](#).

Next

To use ThingSpeak, you must sign in with your existing MathWorks account or create a new one. Non-commercial users may use ThingSpeak for free. Free accounts offer limits on certain functionality. Commercial users are eligible for a time-limited free evaluation. To get full access to the MATLAB analysis features on ThingSpeak, log in to ThingSpeak using the email address associated with your university or organization. To send data faster to ThingSpeak or to send more data from more devices, consider the [paid license options](#) for commercial, academic, home and student usage.

#### Create MathWorks Account

Email Address  
  
To access your organization's MATLAB license, use your school or work email.

Location
